

EXPEDITORS

CHINA-EUROPE ROUND-TRIP AIR CHARTER SERVICE

Space is limited, for more information, please contact your local Expeditors representative for more details or scan the QR code to follow and leave a message.

Above & Beyond

Expeditors offers a full range of air logistics solutions to customers from all over the world and across all industries. To meet the diverse air transportation needs of our customers, we offer round-trip charter services to supplement existing commercial flight slots based on customized solutions, achieving cost optimization and service stability.

Expertise and service endorsement:

- Local business practice knowledge
- Import and export documentation and procedure proficiency
- Regulatory and transportation compliance knowledge
- Direct capacity from key cargo hubs across Euro and China
- Capacity synergy in Greater China (Wuhan, Shanghai, Beijing and other air cargo hubs).
- China-Europe Ground Network Services ensures safe and closed-loop transfer of goods to bonded warehouses in hubs

To alleviate the shortage of space in the airfreight market and to fully support the resumption of work and production, Expeditors will operate two additional round-trip China-Europe cargo charter flights a week from June 2022 to March 2023.

Relying on the perfect ground truck service network, we realize the whole territory coverage of pick-up and delivery service at both ends.

We deliver what you need

West Bound, Customers can choose Wuhan, Shanghai or Beijing delivery, Wuhan to Liege direct flight arrives the same day, the destination to achieve 1-3 days Europe-wide coverage.

East Bound, After Europe arrives at Wuhan Airport, the fixed trucks are transported in a closed loop to Shanghai Pudong Airport or Beijing Capital International Airport, and the whole board is handed over to Expeditors' own import warehouse, realizing the whole process of manifest confirmation, epidemic prevention and elimination, etc. in real-time and fully controllable.
