

CONSENT TO PROCESSING

The controllers of the Personal Data processed pursuant to this “Consent to Processing” (“**Consent**”) are Expeditors International of Washington, Inc., 1015 Third Avenue, Seattle, WA 98104, U.S.A., and its affiliates and subsidiaries (collectively, “**Expeditors**”).

Expeditors may request that you provide personal information (including, but not limited to, names, contact information, government identifiers, still photographs, audiovisual records that include images of me) and other information reasonably related to your business relationship from which your identity is discernable and may include information that is considered sensitive personal data (collectively, “**Personal Data**” or “**Data**”).

Expeditors will be processing your Personal Data both internally and externally in order to:

- provide logistics services (“**Services**”) to Expeditors’ customers;
- fulfill government mandated obligations (e.g., to comply with local tax and revenue authorities, etc.);
- as otherwise required for authorizations on an Expeditors document or any other applicable shipment document issued for the Services (collectively, “**Purpose(s)**”).

Your Data may:

- be required by Expeditors, agents authorized by Expeditors, or Expeditors’ service providers in order to provide the Services, or with other service providers such as LinkedIn or other such third-parties (collectively, “**Recipients**”);
- be stored securely in appropriate formats on servers or other hardware belonging to Expeditors or other Recipients;
- be used in print or digital media formats;
- be transferred across international borders a destination country that may not necessarily provide the same level of protection to the privacy rights of individuals as the origin country provides;
- not necessarily be restricted to the country in which it was collected and may be, where applicable, viewed and used throughout the world for the aforementioned Purposes.

Your Data will be stored securely in appropriate file formats on servers or other hardware belonging to Expeditors or the Recipients listed above in accordance with applicable data retention laws and requirements. I understand that my Data may be kept permanently by Expeditors once it is published.

Your Data may be posted on Expeditors websites that may be viewed throughout the world. You understand and acknowledge that some overseas countries may not provide the same level of protection to the privacy rights of individuals as legislation in your country.

You understand that you are not obligated to provide your Data to Expeditors and that you may exercise any of the rights you have under applicable data privacy and protection laws.

I understand and consent to this Consent to Processing.
